Deacon Jim Trzinski ~ “Evangelization in the World – Taking the Gospel to the Great Outdoors”

Dcn Jim started *Bow Hunting for God Retreats* in central Wisconsin over eight years ago and has most recently become involved with *Ironman Outdoors Retreats* as the first Catholic pro staffer in the organization. He has organized a number of outdoor events that help bring faith outside of the church walls to the great outdoors, including *Campfire with Christ* bible and book studies. He also assisted his wife with organizing *Women of the Great Outdoors Retreats*.

Deacon Jim has a passion for bringing the Gospel to people in real life settings and helping to get people comfortable talking about Jesus in different settings. He will discuss his work with the outdoor ministries and share different ideas on how we as Catholics can continue to take the Gospel outside of the four walls of church and meet people where they are in the world.

Deacon Jim Trzinski was ordained in 2010 in the Diocese of LaCrosse and currently serves the Kaukauna Catholic Parishes as a Pastoral Associate and Director of Evangelization. Deacon Jim has served as the Pastoral Leader of St. Paul Parish in Plainfield and Pastoral Leader at All Saints, St. Mary Glenmore, St. Mary Stark, and Holy Trinity in the Denmark area.
