# Divine Savior School Annual Report

The mission of Divine Savior Catholic School is to provide a high-quality, personalized Catholic-based education that inspires and empowers its learners to achieve academic excellence and develops life-long learning skills. Learners are challenged to walk in the footsteps of Christ, valuing knowledge, prayer, and service to others.

The 2021-2022 school year was in person all year. We did have some students/staff quarantining at various times during the year. We did offer virtual classes to those who were at home.

A top priority of the staff is to integrate religion into all subject areas. We also attend weekly liturgies, have morning prayer, seasonal devotions, and of course, our religion program. We continue to work on our accreditation goal to educate the parents by sending home The Compass and Parent Pages from the religion series. Together, with the guidance of God, we continue to provide a faith-filled educational experience for all learners.

We did have a daycare for part of the year. It was mostly run by 2 individuals, but they were under our umbrella so you will notice some income for that. It is now closed, but we do provide an after care program to a few families.

We had the good fortune to be able to use the EANS funds the government is providing to help get back on track after Covid. We had \$80,000 to use this past year which helped us a lot with our finances. This fund is predicted to be gone after this school year.

We had 17 Choice students this last year. Due to some families deciding to move or homes school we only have 9 students this year in the program. This will affect the numbers for this report next year.

The school community is extremely thankful for the parish communities' continued prayer, service, and financial support. Thank you so much!

To foster fellowship among the women of the parish for the purposes of evangelization, stewardship, building faith and promoting spiritual life. Our missions support the needs of our parish. We hope we can call on you as our needs arise.

### ***Funeral Meals***

Funeral dinners are important because they give the family and friends of the deceased a time to gather and share fellowship and reminisce over the departed loved one. It also is an outward representation of our Church's love towards it's member. Volunteers are needed to serve at funeral dinners, especially during the day.
